Overview

Dr. Jyoti Wadhwa is a highly accomplished Medical Oncologist with over 32 years of extensive experience in the field. Based at Apollo Hospitals Indraprastha in Delhi, she is renowned for her expertise in diagnosing and treating a wide spectrum of cancer-related conditions. Dr. Wadhwa holds an impressive academic background with an MBBS, MD, and DM from the prestigious All India Institute of Medical Sciences (AIIMS), further bolstered by international recognition through the MAMS and FRCP (Edinburgh) credentials. An author of books like Breast Cancer: Fear, Facts & Hope and Diet & Cancer. Her fluency in both English and Hindi allows her to connect deeply with a diverse patient population.

Dr. Wadhwa's clinical practice emphasizes precision oncology, offering personalized treatment plans tailored to each patient's genetic profile and disease characteristics. She is adept in administering advanced, evidence-based therapies, including chemotherapy, immunotherapy, targeted therapy, and antibody-drug conjugates (ADCs). Her areas of specialization also include the treatment of women's cancers, as well as comprehensive cancer prevention and screening programs aimed at early detection and improved outcomes.

At Apollo Hospitals, Dr. Jyoti Wadhwa is recognized for her compassionate and holistic approach to oncology care. She integrates supportive and palliative care into her treatment regimens, ensuring that

patients experience not only clinical excellence but also emotional and psychological support throughout their journey. Her dedication to personalized, patient-centered care makes her an invaluable pillar in the fight against cancer and a respected leader within the medical community.
