Overview

Dr. Vivekan Manoharan is a highly trained Interventional Cardiologist with over 15 years of experience in managing a wide range of cardiac conditions. He currently practices at **Apollo Speciality Hospital, Teynampet, Chennai**, where he provides expert care in both preventive and interventional cardiology. Dr. Manoharan holds an MBBS, a DNB in General Medicine, and a DrNB in Cardiology—credentials that reflect his strong academic foundation and advanced specialization in heart care. His clinical interests include the diagnosis and management of coronary artery disease, heart rhythm disorders, heart failure, and hypertension. He is well-versed in performing interventional procedures such as angioplasty, stenting, and cardiac catheterizations with precision and safety.

Fluent in **English** and **Tamil**, Dr. Manoharan ensures seamless communication with his patients, creating an environment of trust and clarity. His patient-first approach emphasizes accurate diagnosis, individualized treatment plans, and long-term cardiac wellness.

With a reputation for clinical excellence, a calm demeanor, and a commitment to continuous learning, **Dr. Vivekan Manoharan** is a trusted name in cardiology for patients seeking high-quality heart care in Chennai.
