Overview

Dr. Sujay S. Patil is a highly skilled Emergency Medicine Specialist with over 10 years of clinical experience, currently practicing at Apollo Hospitals, Pune. He holds an MBBS degree, along with advanced qualifications including a Masters in Emergency Medicine (MEM) and MRCEM (London, UK), reflecting his dedication to mastering the complexities of acute and critical care. His training and expertise equip him to handle a wide spectrum of emergencies, from trauma and cardiac events to respiratory and critical care crises, ensuring timely and effective interventions.

Fluent in English, Hindi, Marathi, and Kannada, Dr. Patil is able to communicate effortlessly with patients from diverse backgrounds, making him approachable and ensuring clarity in critical situations. His calm demeanor, combined with his ability to act decisively under pressure, makes him a trusted figure in emergency care. He is particularly focused on delivering evidence-based treatment, stabilizing patients swiftly, and coordinating multidisciplinary care when needed.

With a strong commitment to patient safety and rapid response, Dr. Patil plays a vital role in the Emergency Department at Apollo Hospitals, Pune, where he ensures that patients receive immediate, comprehensive, and compassionate care. His dedication to emergency medicine, coupled with his global exposure and advanced training, positions him as a reliable and highly respected physician for patients

and families seeking urgent medical attention.
