## Overview

Dr. Sunil Jawale is an experienced Nephrologist at Apollo Hospitals, Pune, with over 11 years of expertise in diagnosing and managing a wide range of kidney-related conditions. He holds an MBBS, MD in Internal Medicine, and DM in Nephrology, reflecting his advanced training in renal care, dialysis, and transplant medicine. His practice encompasses both acute and chronic kidney diseases, ensuring comprehensive treatment for patients with diverse nephrological needs.

Fluent in English, Hindi, and Marathi, Dr. Jawale emphasizes effective communication with patients and their families, helping them understand their condition, treatment options, and strategies for kidney health management. His patient-centered approach prioritizes personalized care, prevention, and long-term wellness, empowering patients to take an active role in their health.

At Apollo, Dr. Jawale utilizes state-of-the-art diagnostic tools and evidence-based treatment protocols to deliver high-quality nephrology care. Known for his precision, dedication, and collaborative approach, he works closely with multidisciplinary teams to provide holistic kidney care. Dr. Sunil Jawale is recognized as a trusted nephrologist in Pune, committed to improving patient outcomes and enhancing kidney health through expert care.
