Overview

Dr. Prasanna Rammohan is a distinguished Medical Oncologist at Apollo Speciality Hospitals, Trichy, with an impressive 18 years of experience in the diagnosis and treatment of a wide range of cancers. He holds an MBBS, MD, and DM in Oncology, along with additional qualifications such as ECMO and FCPM, reflecting his commitment to advanced training and excellence in cancer care. His deep clinical expertise enables him to handle complex oncological cases with precision and a patient-centered focus.

Fluent in English and Tamil, Dr. Rammohan builds strong rapport with his patients through clear communication and empathetic care. He believes in tailoring treatment plans to the individual, combining evidence-based medical therapies with a thorough understanding of each patient's unique needs. His holistic approach ensures that patients not only receive effective treatment but also the emotional and psychological support needed during their cancer journey.

At Apollo, Dr. Prasanna Rammohan is recognized as a dedicated leader in oncology, known for his meticulous clinical methods and his commitment to improving patient outcomes. He actively contributes to the advancement of cancer care through research, education, and collaboration with fellow specialists. With his depth of knowledge, compassionate approach, and unwavering dedication, Dr. Rammohan continues to be a pillar of support for patients and a respected figure in the medical community of Trichy.
