Overview

Dr Roopesh Jain is a seasoned Pain Management Specialist at Apollo Sage Hospitals, Bhopal, with over 21 years of clinical experience in managing chronic and acute pain conditions. He holds an MD and is a Fellow of Interventional Pain Management (FIPM), reflecting his advanced expertise in cutting-edge pain relief techniques and non-surgical interventions.

Dr. Jain specializes in the diagnosis and treatment of complex pain disorders including spine-related pain, joint pain, neuropathic pain, cancer-related pain, and post-operative pain. He is proficient in a wide range of interventional procedures such as nerve blocks, epidural injections, radiofrequency ablations, and other minimally invasive techniques aimed at restoring quality of life.

With a compassionate, patient-first approach, Dr. Jain develops personalized treatment plans that focus on both pain relief and long-term well-being. His ability to clearly communicate in English and Hindi ensures that patients from diverse backgrounds feel heard, informed, and supported throughout their care journey.

In addition to his clinical excellence, Dr. Jain is committed to medical education and continuous learning, staying updated with global advancements in pain medicine. His deep commitment to improving patient outcomes makes him one of the most trusted names in pain management in Bhopal.
