Overview

Dr. Anagha Zope is a highly experienced Surgical Oncologist with over 28 years of clinical expertise, specializing in **Breast and Oncoplastic Surgery**. She currently practices at **Apollo Hospitals, Ahmedabad**, where she provides advanced surgical care with a focus on precision, aesthetics, and compassionate patient support.

Holding an **MS in Surgery**, Dr. Zope has devoted her career to the diagnosis, treatment, and long-term care of patients with breast cancer and related conditions. Her surgical proficiency includes **breast-conserving surgery, mastectomy, sentinel lymph node biopsy**, and advanced **oncoplastic reconstruction techniques**, blending cancer removal with optimal cosmetic outcomes.

Fluent in **English, Hindi, Gujarati**, and **Marathi**, Dr. Zope ensures clear communication with patients from diverse backgrounds, creating a sense of trust and comfort throughout their cancer care journey. Her approach emphasizes early detection, individualized treatment planning, and emotional support for patients and families.

In addition to her clinical practice, Dr. Zope is a respected voice in the field of breast oncology, frequently participating in academic forums, awareness campaigns, and multidisciplinary treatment planning.

Known for her surgical skill, compassionate demeanor, and commitment to women's health, **Dr. Anagha Zope** is a leading name in breast oncology in Ahmedabad, providing comprehensive and holistic care for patients with breast cancer.

Experience

- **Senior Consultant Breast Surgeon**

Marengo CIMS Hospital, Ahmedabad, Gujarat (2023 – 2024)

Collaborated with multidisciplinary teams to develop and implement evidence-based, organ-specific cancer care programs. Led initiatives focused on community outreach, cancer awareness, and early detection.

- **Senior Consultant Breast Surgeon & Program Lead**

Apollo CBCC Cancer Care, Ahmedabad (2015 – 2022)

Directed strategic planning and implementation of a comprehensive breast cancer program across multiple hospitals. Achieved a 50% reduction in diagnosis-to-treatment time and significantly enhanced patient care delivery.

- **Consultant Breast Surgeon**

Apollo Hospitals International Limited, Ahmedabad (2006 – 2015)

Established an exclusive breast surgical practice and pioneered oncoplastic breast surgeries at the institution. Led education and outreach programs to promote cancer awareness and early detection.

- **Assistant Professor in General Surgery**

B.J. Medical College & Civil Hospital, Ahmedabad (2000 – 2006)

Served as a Class 1 Gazetted Officer with the state government, teaching undergraduate and postgraduate students in surgery. Worked in collaboration with the State Health Commissionerate to improve medical education and healthcare services across Gujarat.
