Overview

Dr. Gangula Charvitha Reddy is a skilled and compassionate Neurologist based at Apollo Hospitals, DRDO, Kanchanbagh. With over 6 years of experience, she brings a modern, evidence-based approach to diagnosing and managing neurological disorders. She holds an MBBS, MD, DM in Neurology, and an SCE (Neurology) certification from the Royal College of Physicians, UK, demonstrating her commitment to clinical excellence and advanced training in her field. Her multilingual fluency in Telugu, Hindi, English, and Kannada enables her to effectively communicate with patients across diverse backgrounds.

Dr. Charvitha Reddy is known for her patient-first philosophy, where she focuses on understanding the full spectrum of each individual's symptoms, history, and concerns. Her clinical expertise spans a wide range of neurological conditions including epilepsy, stroke, migraine, neuropathies, Parkinson's disease, and other complex brain and nervous system disorders. She prioritizes personalized care and accurate diagnosis to ensure patients receive the most appropriate treatment and support.

In her practice, Dr. Gangula Charvitha Reddy emphasizes patient education and shared decision-making. She is committed to helping patients and families understand their condition and take an active role in their care plans. Her continuous pursuit of the latest advancements in neurology and her collaborative approach to treatment planning reflect her dedication to delivering high-quality, comprehensive neurological care.

Her professional integrity and empathetic manner have earned her the trust of her patients and colleagues alike.
