Overview

Dr. Ashok Kumar Singhal is a highly experienced Senior Consultant Neurologist with over two decades of expertise in the field of neurology. Renowned for his clinical acumen and compassionate patient care, he specialises in managing complex neurological conditions with a focus on stroke, headaches, and neuromuscular disorders. Dr. Singhal has served in prestigious institutions, including Apollo Hospitals and other leading institutions across Bangalore. His approach combines evidence-based medicine with a patient-centric attitude, making him a trusted name in neurological care.

Throughout his career, he has contributed to academic research, published in reputed journals, and actively participated in training postgraduate students. Known for his calm demeanor and clarity in communication, he is highly sought after by patients from all walks of life. At Apollo Hospitals, Dr. Singhal continues to deliver advanced neurological treatment with dedication and empathy, ensuring patients receive the highest standard of care.
