Overview

Dr. Saujatya Chakraborty is an accomplished Cardiologist at Apollo Hospitals, Kolkata, with over 16 years of expertise in diagnosing and managing complex heart conditions. A graduate of Calcutta Medical College, he holds an MBBS, followed by an MD in Internal Medicine and a DM in Cardiology from the prestigious Postgraduate Institute of Medical Education and Research (PGIMER), Chandigarh.

Fluent in English, Hindi, and Bengali, Dr. Chakraborty ensures clear and compassionate communication with patients from diverse backgrounds. His clinical proficiency spans preventive cardiology, complex coronary interventions, and advanced cardiac care, enabling him to deliver comprehensive treatment tailored to each patient's needs.

Known for his patient-centric approach and evidence-based practice, Dr. Chakraborty is committed to improving heart health outcomes through accurate diagnosis, timely intervention, and long-term management strategies. His dedication and depth of knowledge make him a trusted name in cardiology within the region.
