Overview

Dr. Krishna Bhargava Vem is a highly skilled Orthopaedic Surgeon at **Apollo Health City, Jubilee Hills, Hyderabad**, with over a decade of clinical experience. He holds an MBBS and MS in Orthopaedics, along with a Fellowship in Spine Surgery (FISS) from Germany, providing him with advanced expertise in managing complex spine and orthopaedic conditions.

Dr. Vem specializes in spinal disorders, trauma, and orthopaedic injuries, with proficiency in minimally invasive spine surgery, deformity correction, fracture management, and joint-related treatments. His patient-centric approach focuses on delivering individualized care, combining innovative techniques with evidence-based practices to ensure the best possible outcomes.

Fluent in **English, Hindi, Telugu, and Tamil**, Dr. Vem communicates effectively with patients from diverse backgrounds, ensuring comfort and clarity throughout their treatment journey. His dedication to medical excellence and compassionate care makes him a trusted choice for patients seeking advanced orthopaedic and spine solutions at Apollo Health City, Jubilee Hills.
