Overview

Dr. Siddharth W. Turkar is a highly accomplished Medical Oncologist based in Mumbai, Maharashtra, with over 11 years of experience in the comprehensive management of cancer. He holds a DM in Medical Oncology from the renowned Tata Memorial Hospital (TMH), one of India's leading institutions in cancer care, which has provided him with advanced expertise in treating a wide spectrum of malignancies.

Dr. Turkar is committed to delivering evidence-based, personalized treatment plans, integrating the latest advancements in chemotherapy, targeted therapy, and immunotherapy to achieve the best possible outcomes for his patients. His approach emphasizes not only the treatment of cancer but also the enhancement of quality of life throughout the patient's journey.

Proficient in **English, Hindi, and Marathi**, Dr. Turkar ensures effective communication and compassionate care for a diverse patient community. He is associated with **Apollo Hospitals, Mumbai**, where he works closely with a multidisciplinary team to provide holistic and patient-centered oncology care.

With a strong academic foundation, clinical excellence, and a patient-first approach, Dr. Siddharth W. Turkar has earned trust and recognition among patients and peers alike as a dedicated oncologist striving for excellence in cancer care.
