Overview

Dr. Gogineni Ratnakara Rao is a dedicated Pulmonology and Respiratory Medicine Specialist practicing at **Apollo Health City, Jubilee Hills, Hyderabad**. With over **6 years of experience**, he brings advanced expertise in managing a wide spectrum of respiratory and critical care conditions.

He holds an **MBBS**, an **MD in Internal Medicine from AIIMS, New Delhi**, and a **DM in Pulmonary & Critical Care Medicine from PGIMER, Chandigarh**—two of the most prestigious medical institutions in India. This strong academic foundation equips him to deliver evidence-based, precise, and comprehensive care to his patients.

Dr. Rao's clinical expertise covers conditions such as **asthma, COPD, interstitial lung disease, sleep-related breathing disorders, and critical respiratory illnesses**, ensuring patients receive the best possible outcomes. He is known for his **patient-first approach**, emphasizing thorough diagnosis, personalized treatment, and compassionate care.

Fluent in **Telugu, English, and Hindi**, he effectively communicates with patients from diverse backgrounds, ensuring clarity and comfort throughout the treatment process.

As part of the Apollo Group, Dr. Gogineni Ratnakara Rao upholds the highest standards of medical care, while staying updated with the latest developments in pulmonology and critical care medicine. His

commitment lies in improving respiratory health and enhancing the quality of life for every patient he serves.
