Overview

Dr. Kiran Lakkireddy is a highly accomplished and trusted Interventional Cardiologist with over 15 years of dedicated experience in the field of advanced cardiovascular care. Known for his expertise in complex coronary interventions, structural heart procedures, and heart failure management, Dr. Lakkireddy has established himself as a leading figure in Hyderabad's cardiac healthcare landscape.

He is committed to providing reliable, evidence-based, and compassionate care to patients across all socioeconomic backgrounds. Dr. Lakkireddy is particularly recognized for adopting cutting-edge technologies and minimally invasive techniques that ensure safer procedures and faster recovery for his patients.

Throughout his career, Dr. Lakkireddy has been instrumental in pioneering innovative cardiac programs and has actively contributed to the growth of reputed cardiac centers. His clinical excellence is matched by his patient-centric approach, focusing on holistic treatment strategies tailored to individual needs.

Currently associated with Apollo Hospitals, Jubilee Hills, Hyderabad, Dr. Lakkireddy continues to deliver world-class cardiac care while also mentoring younger cardiologists and contributing to academic forums.

His vision is to make advanced heart care affordable, accessible, and trustworthy for every patient.
