## Overview

Dr. Dinesh Singhal is a highly accomplished Surgical Gastroenterologist at Apollo Hospitals, Delhi, with over 30 years of experience in advanced gastrointestinal surgery. He holds prestigious qualifications including MS, DNB (Surgical Gastroenterology), FACS, and FRCS (England), reflecting his extensive training and international exposure. His expertise spans complex gastrointestinal procedures, hepatobiliary and pancreatic surgeries, as well as minimally invasive techniques, ensuring precision and excellence in patient care.

Fluent in English and Hindi, Dr. Singhal is known for his patient-focused approach, taking time to understand each individual's medical history and unique needs. He is deeply committed to clear communication, ensuring that patients and their families feel informed, supported, and confident when making decisions about their treatment. His compassionate care, combined with surgical expertise, has earned him the trust of patients from across the country.

At Apollo, Dr. Singhal leverages state-of-the-art technology and evidence-based practices to deliver world-class surgical outcomes. He actively collaborates with multidisciplinary teams to provide holistic treatment, from diagnosis to recovery. Recognized for his dedication, precision, and leadership in surgical gastroenterology, Dr. Dinesh Singhal has made a lasting impact on the field and continues to be a trusted

name in gastrointestinal surgery.
