## Overview

Dr. Poonam Gandhi is a highly experienced Ophthalmologist at Apollo Hospitals, Pune, with over 13 years of expertise in eye care and vision management. She holds an MBBS, DNB in Ophthalmology, and DOMS, reflecting her advanced training and proficiency in diagnosing and treating a wide range of eye conditions. Her clinical practice includes cataract surgery, glaucoma management, retinal care, and comprehensive vision health for patients of all ages.

Fluent in English, Hindi, and Marathi, Dr. Gandhi emphasizes clear communication with patients and their families, ensuring they understand their diagnosis, treatment options, and preventive eye care strategies. Her patient-focused approach combines technical expertise with empathy, fostering trust and confidence in every interaction.

At Apollo, Dr. Gandhi utilizes state-of-the-art ophthalmic technologies and evidence-based practices to provide precise, personalized care. Known for her dedication, meticulous attention to detail, and collaborative approach, she works closely with multidisciplinary teams to ensure optimal outcomes. Dr. Poonam Gandhi is recognized as a trusted ophthalmologist in Pune, committed to preserving and enhancing vision while improving overall eye health.
