Membership

- Licensed Marriage and Family Therapist #MFC 3751
- Registered Play Therapist # T390 (inactive status, both)

Awards

- Awarded certificate for appreciation for significant contribution and outstanding performance in EGF106708 (ALTTO).

Research and Publication

Research

- Entitled “Cohesion and adaptability in abusive families”, this study used the Kinetic family Drawing and the Faces III, assessment tools, the results of the two tests were compared. A parent (caregiver) and a child from each family were evaluated. An attempt was also made to view differences between adult and child perceptions.
- Worked with Dr. Appleton, Professor at Eastern Washington University, on a cross cultural study, to explore children story telling, art and poetry across three continents Africa, America and India with a grant funded by USAID. After comparing and contrasting the artwork from the different countries, the data was analyzed to identify cross-cultural themes and assess the similarities and differences.
- Worked with Dr. Appleton on another cross-cultural study using an art therapy technique, “The Rosebush” to view its impact on children across Indian and American cultures.
- Spring '94, worked with Dr. Appleton on a project titled “Exceptional artist program” at the Spokane Art School, WA.
