Overview

Dr. Ambika Gupta is a highly qualified Medical Geneticist with an extensive academic background and over 12 years of experience in the field. She holds a Bachelor's degree in Medicine and Bachelor of Surgery (MBBS) from Govt. Medical College, MS University of Baroda, Vadodara, followed by a Doctor of Medicine (MD) in Pediatrics from King George Medical University, Lucknow, completed between June 2010 and May 2013. Driven by her passion for genetics, she pursued a DM in Medical Genetics at the prestigious All India Institute of Medical Sciences (AIIMS), New Delhi, from January 2019 to December 2021.

Based in Ahmedabad, Gujarat, Dr. Gupta provides specialized care in the domain of medical genetics, which focuses on understanding the genetic aspects of various conditions and their implications for patients and families. Her expertise encompasses genetic counseling, diagnosis, and management of genetic disorders, ensuring a comprehensive approach to patient care.

Fluent in both English and Hindi, Dr. Gupta is able to communicate effectively with a diverse range of patients, providing them with the understanding and support they need in their genetic health journey. Apart from her medical practice, she is recognized for her commitment to improving patient outcomes through education and advocacy in the field of medical genetics. Dr. Ambika Gupta is a valuable asset to

the Apollo team, where her knowledge and compassionate approach towards her patients make a significant impact on their healthcare journey.
