Overview

Dr. Aswin S. Krishna is a highly qualified and experienced hepatologist based in Chennai, Tamil Nadu. With a robust medical background, Dr. Krishna holds an MBBS degree, an MD in Internal Medicine from Madras Medical College (MMC), and a DM in Hepatology from MMC as well. He further enhanced his expertise by completing a Fellowship in Liver Transplantation. With over 10 years in the field, he has garnered a wealth of knowledge and clinical skills that he applies daily in his practice. Dr. Krishna is proficient in multiple languages, including English, Hindi, Tamil, and Malayalam, enabling him to communicate effectively with a diverse patient demographic. In recognition of his dedicated service during the pandemic, he was honored with the Covid Warrior award in 2020, which underscores his commitment to healthcare and community service. Dr. Krishna currently practices at Apollo Hospital, where he is devoted to providing exceptional care for patients with liver diseases. His specialty in hepatology includes the management of various liver conditions and complex cases that require advanced interventions. Whether you are dealing with hepatitis, fatty liver disease, or require pre- and post-operative care for liver transplants, Dr. Krishna is equipped to handle a broad spectrum of hepatological issues. His approach to patient care emphasizes compassion, thoroughness, and a strong commitment to improving patient outcomes.
