Overview

Dr. Bikash Majumder is a highly accomplished and internationally trained Cardiologist with over 11 years of specialized experience in the field of cardiology. He brings a global perspective to cardiac care, having completed extensive medical training and certifications in both India and the United Kingdom. His clinical approach is marked by precision, compassion, and a strong commitment to evidence-based treatment.

Dr. Majumder holds a robust academic background, having earned his MBBS and MD in General Medicine (2002), followed by prestigious international qualifications such as MRCP (UK) – 2004, MD (Res), CCT (Cardiology), and FRCP. These credentials reflect his dedication to continued learning and clinical excellence in the management of complex cardiovascular conditions.

Fluent in English, Hindi, and Bangla, Dr. Majumder ensures clear and empathetic communication with patients from diverse linguistic and cultural backgrounds. He is known for making patients feel heard, informed, and involved in their treatment decisions, which significantly enhances patient satisfaction and outcomes.

Dr. Majumder is currently associated with Apollo Hospitals, Kolkata, one of the leading centers of excellence in cardiac care in Eastern India. Located at No. 58, Canal Circular Road, Kolkata, West Bengal – 700054, the hospital offers world-class infrastructure and multidisciplinary support for advanced cardiac procedures and treatments.

With a strong focus on preventive cardiology, interventional techniques, and chronic disease management, Dr. Bikash Majumder continues to be a trusted name in cardiac care, dedicated to improving heart health and enhancing patients' quality of life.
