Overview

Dr. Deepak Arora is a distinguished General and Laparoscopic Surgeon with over 35 years of experience, currently practicing at Apollo Hospitals Indraprastha, Delhi. He holds an MBBS and an MS, which underpin his advanced expertise in a wide range of surgical procedures, including minimally invasive surgeries, hernia repairs, and gastrointestinal surgeries. Dr. Arora is dedicated to employing innovative techniques that enhance patient outcomes and reduce recovery times. In addition to his clinical practice, Dr. Arora is actively involved in research and academic discussions, contributing to the advancement of surgical techniques and patient care methodologies. He frequently participates in national and international medical conferences, where he shares his insights and collaborates with peers to foster a culture of continuous learning and improvement in the field of surgery. Dr. Arora is deeply committed to patient-centered care, ensuring that each patient receives personalized attention and treatment tailored to their unique needs. His ability to communicate effectively in English, Hindi, and Punjabi allows him to connect with a diverse patient population, making him a trusted choice for individuals seeking high-quality healthcare. With a focus on medical excellence, Dr. Arora strives to provide the best possible outcomes for his patients.
