Overview

Dr. Jai Johnson is a highly qualified ENT Specialist with over 10 years of experience in the field of otolaryngology. Based in Ernakulam, Kerala, he has dedicated his career to the assessment and treatment of disorders related to the ear, nose, and throat. Dr. Johnson holds an impressive educational background, with qualifications including MBBS, MS (ENT), and MRCS (ENT) from the UK. His expertise is further enhanced by specialized training received from prestigious institutions. Dr. Johnson's accolades include advanced training in soft tissue and surgical skills at Changi General Hospital in 2016, along with advanced courses in rhinology and skull base surgery in 2017 at the same hospital. Additionally, he has undertaken a clinical attachment in facial plastic surgery at Bassetlaw General Hospital in the UK in 2018, as well as further rhinology and skull base training at Bombay Hospital. Dr. Johnson is fluent in multiple languages, including English, Hindi, Tamil, and Malayalam, allowing him to effectively communicate with a diverse patient population. As part of Apollo, he is committed to providing compassionate and comprehensive care to his patients, ensuring that they receive the best possible treatment for their ENT-related conditions. His dedication to continuous learning and excellence in medical practice makes him a valuable asset to the field of ENT healthcare.
