Overview

Dr. Jai Ranjan Ram is a highly qualified psychiatrist based in Kolkata, West Bengal, with over 22 years of dedicated experience in the field of psychiatry. He holds an impressive academic background featuring an MBBS, MD, MRCPsych, and CCST, which equips him with a robust understanding of mental health disorders and their treatments. Fluent in English, Bengali, and Hindi, Dr. Ram is adept at engaging with a diverse patient demographic, ensuring that language barriers do not hinder effective communication in the therapeutic process.

As a part of the prestigious Apollo Hospitals network, Dr. Ram prides himself on providing patient-centered care, emphasizing compassion and respect. He utilizes a combination of evidence-based approaches tailored to meet the unique needs of each patient. His expertise encompasses a broad range of psychiatric conditions, from anxiety and depression to more complex disorders. Dr. Ram's commitment to his patients can be seen in his continuous effort to stay updated with the latest advancements in psychiatric medicine, which he integrates into his practice to achieve optimal patient outcomes.

Dr. Jai Ranjan Ram is not only a skilled psychiatrist but also a trusted ally in the journey toward mental wellness, dedicated to fostering an environment that promotes healing and personal growth. Whether in individual therapy sessions or through collaborative treatment planning, he empowers his patients to break

the stigma around mental health and encourages them to take an active role in their recovery.
