Overview

Dr. Jyotsna AS is a dedicated Paediatrics and Neonatology Specialist at Apollo BGS Hospitals in Mysore, bringing over 12 years of experience in providing exceptional healthcare to infants and children. She holds an MBBS degree, which underpins her advanced expertise in managing complex neonatal conditions, pediatric emergencies, and developmental disorders.

Dr. Jyotsna is particularly proficient in neonatal resuscitation, management of preterm infants, and pediatric nutrition, ensuring that her young patients receive the highest standard of care. In addition to her clinical practice, Dr. Jyotsna is actively involved in research and academic discussions, contributing to advancements in pediatric medicine. She regularly participates in medical conferences, where she shares her insights on innovative treatments and best practices in neonatology. Her commitment to continuous learning and professional development reflects her dedication to medical excellence.

Dr. Jyotsna believes in a patient-centered approach, prioritizing the needs and comfort of her patients and their families. She is known for her compassionate care and effective communication, speaking fluent English to connect with a diverse patient population. Her unwavering commitment to high-quality healthcare makes her a trusted partner in the health and well-being of children in her community.
