Overview

Dr. Kishalaya Karan is a highly experienced neurologist based in Kolkata, West Bengal. With a dedicated medical background that spans over 10 years, he has established himself as a trusted specialist in neurology. Dr. Karan completed his MBBS from Calcutta University, followed by an MD in Medicine and a DM in Neurology, which equip him with a comprehensive understanding of the intricate workings of the nervous system.

Fluent in English, Hindi, and Bengali, Dr. Karan is committed to providing care that is accessible to a diverse patient population. His approach to patient care emphasizes thorough examinations and personalized treatment plans, making sure each patient is well-informed and comfortable with their care path.

While Dr. Karan is passionate about neurology and strives to maintain a high standard of service, it's important to note that patients may experience a waiting time for physical appointments that can extend up to 2-3 hours. This reflects the high demand for his expertise and the attention he devotes to each individual case.

As an exclusive partner in the healthcare community, Dr. Kishalaya Karan is dedicated to advancing the quality of neurological care and is well-regarded for his commitment to patient well-being. His proficiency

in neurology enables him to handle a wide range of neurological conditions, ensuring that every patient receives the best possible treatment tailored to their specific health needs.

Experience

- Working in Apollo Hospitals since last Assignment

Awards

- He has recently set up a Centre of Excellence for Bariatric Surgery at Apollo Hospitals, Bangalore.
- was awarded at the ASI conference in Bangalore
- He is the Fellow of International College of surgeons. # He was honored Fellow of Indian association of Gastrointestinal Endo surgeons without an exam.
