Overview

Dr. Kunal Patel is a highly experienced orthopaedician based in Chennai, Tamil Nadu. With over 12 years of dedicated experience in the field, he has garnered respect and recognition for his expertise in treating various musculoskeletal conditions. Dr. Patel holds a comprehensive educational background, including an MBBS, MS in Orthopaedics, MCh, and additional qualifications such as FIAS and FIJR from prestigious institutions, including training from HSS-USA and Endoklinik Germany.

Fluent in English, Tamil, and Hindi, Dr. Patel effectively communicates with a diverse patient base, ensuring that all patients feel comfortable discussing their medical concerns. His commitment to advancing the field of orthopaedics is reflected in his numerous accolades, including the Best Paper Award for his work on tibialisation of the fibula and the Best Poster award at the 34th SICOT Conference for a novel technique to reinforce stability following open reduction of neglected dislocation of the elbow.

As an exclusive partner in his practice, Dr. Patel prioritizes patient-centered care, tailoring treatment plans to meet the unique needs of each individual. His vast skill set and dedication make him a trusted choice for patients seeking specialized orthopaedic care in Chennai. Whether addressing sports injuries, fractures, or chronic bone disorders, Dr. Kunal Patel's expertise ensures that patients receive the highest standard of medical attention.
