## Overview

Dr. Mahesh Narayanan is a highly esteemed Paediatric Neurologist based in Chennai, Tamil Nadu, with a robust experience of 18 years in the field. He is dedicated to the diagnosis and treatment of neurological disorders in children, bringing both expertise and compassion to his practice. Dr. Narayanan holds significant qualifications, including an MD in Paediatrics and a DM in Neurology, ensuring he is well-equipped to handle a diverse range of neurological conditions in pediatric patients.

Fluent in English and Tamil, Dr. Narayanan is able to effectively communicate with a wide array of families, making every effort to ensure that both parents and children feel comfortable and informed throughout their medical journey. He is associated with Apollo Hospitals, a renowned institution known for its patient-centered care and advanced medical technology.

Throughout his esteemed career, Dr. Narayanan has been recognized for his contributions to the field of paediatric neurology, receiving prestigious awards from the Indian Academy of Neurology and affiliations with both the Indian Academy of Paediatrics (IAP) and the Indian Medical Association (IMA). These accolades not only reflect his commitment to excellence but also his dedication to staying updated with ongoing advancements in neurology.

As a paediatric neurologist, Dr. Mahesh Narayanan is committed to a holistic approach to treatment, understanding that each child is unique, and tailoring his interventions to fit individual needs. His background enhances his ability to work collaboratively within multidisciplinary teams to optimize patient outcomes. Parents seeking expert guidance and treatment in paediatric neurology will find Dr. Narayanan to be a trustworthy and experienced healthcare partner.
