Overview

Dr. Mayank Mohan Agarwal is a highly esteemed Urologist based in Lucknow, Uttar Pradesh, with over 22 years of extensive experience in the field of urology. He has earned an impressive array of qualifications, including an MBBS with Gold Medal honors, MS, and MCh in Urology from PGIMER, Chandigarh. Dr. Agarwal is also a DNB (Urology) Gold Medalist and a member of the Royal College of Surgeons (Edinburgh). Further showcasing his commitment to advanced medical education, he has completed prestigious Fellowships in Uro-oncology and Female Urology from renowned institutions such as Memorial Sloan Kettering Cancer Center in New York, UCLA in Los Angeles, and Wake Forest University in North Carolina, USA.

As a Urologist, Dr. Agarwal specializes in diagnosing and treating conditions related to the urinary tract and male reproductive organs. He is fluent in both English and Hindi, making him accessible to a diverse range of patients. Dr. Agarwal's dedication to his field is reflected not only in his extensive training and experience but also in his compassionate approach to patient care.

In addition to his clinical expertise, Dr. Agarwal has gained recognition for his contributions to the medical community and is committed to staying abreast of the latest advancements in urology. His patient-focused

approach, combined with his vast knowledge and expertise, positions him as a leading figure in the field of urology. Patients seeking care under his guidance can expect high-quality treatment backed by years of experience and a thorough understanding of their conditions.

Awards

- Goldmedalist MS (Ortho) Faculty Member for severe Trauma, Arthroplasty courses

Frequently Asked Questions

1. Where does Dr. Mayank Mohan Agarwal practice?

Dr. Mayank Mohan Agarwal currently practices at ApolloMedics Super Specialty Hospitals, located in Lucknow.

2. Who is Dr. Mayank Mohan Agarwal?

Dr. Mayank Mohan Agarwal is a highly experienced Urologist with 22 years of expertise in the field. He is known for providing exceptional patient care and advanced medical treatments. His areas of expertise include Laser Lithotripsy, Transurethral Resection of the Prostate (TURP). He also treats conditions such as Kidney Stones, Prostate Enlargement (BPH).

3. Why do patients choose Dr. Mayank Mohan Agarwal?

Patients trust Dr. Mayank Mohan Agarwal for his expertise, patient-centric approach, and commitment to providing the highest standard of care. He is well-versed in the latest medical advancements and ensures personalized treatment for every patient.

4. What is Dr. Mayank Mohan Agarwal's specialization?

Dr. Mayank Mohan Agarwal specializes in Urology, with expertise in treatments for Laser Lithotripsy, Transurethral Resection of the Prostate (TURP).

5. What are Dr. Mayank Mohan Agarwal's medical qualifications?

Dr. Mayank Mohan Agarwal holds prestigious qualifications, including MBBS (Gold medalist), MS, MCh (Urology, PGIMER, Chandigarh), DNB (Urol., Gold medalist), MRCS(Ed) Fellowships in Uro-oncology & Female Urology (MSKCC, New York; UCLA, Los Angeles; Wake Forest University, North Carolina, USA).

6. How many years of experience does Dr. Mayank Mohan Agarwal have?

Dr. Mayank Mohan Agarwal has 22 years of experience in the medical field, treating various conditions related to Urology.

7. How can I book an appointment with Dr. Mayank Mohan Agarwal?

You can book an appointment with Dr. Mayank Mohan Agarwal through: Online: Visit <https://www.apollohospitals.com/book-doctor-appointment/> to schedule an appointment.
