Overview

Dr. Prakash Selvaperumal is a highly esteemed paediatrician based in Chennai, with over 15 years of dedicated experience in the field of child healthcare. He holds an MBBS and an MD, qualifications that underscore his commitment to providing the highest standard of medical care. Dr. Selvaperumal has honed his expertise in various aspects of paediatrics, focusing on the comprehensive health needs of children from infancy through adolescence. His extensive experience allows him to address a wide range of paediatric conditions, ensuring that each child receives personalized and effective treatment tailored to their unique needs. At Apollo Cradle & Children's Hospital in Karapakkam, Dr. Selvaperumal is known for his compassionate approach to patient care. He believes in fostering a warm and welcoming environment for both children and their families, understanding that a child's health journey can be daunting. His practice is characterized by open communication, where he takes the time to listen to parents' concerns and educates them about their child's health. This patient-centered approach not only alleviates anxiety but also empowers families to make informed decisions regarding their child's wellbeing. Dr. Selvaperumal is committed to staying abreast of the latest advancements in paediatric medicine, ensuring that his patients benefit from the most current and effective treatment options available. As a valued member of the Apollo Cradle & Children's Hospital team, Dr. Selvaperumal contributes to a collaborative environment

that prioritizes the health and happiness of children. His dedication to excellence in paediatric care, combined with his extensive experience and educational background, makes him a trusted choice for families seeking quality healthcare for their children. Whether addressing routine check-ups or more complex health issues, Dr. Selvaperumal is devoted to nurturing the health of the next generation, ensuring that every child has the opportunity to thrive.
