Overview

Dr. Prakash Agarwal is a highly experienced Paediatric Surgeon based in Chennai, Tamil Nadu, with an impressive career spanning over 25 years. He holds multiple qualifications including MBBS, MS, and MCh in Paediatric Surgery, showcasing his commitment to excellence in the field of pediatric healthcare. Dr. Agarwal is well-versed in various surgical procedures tailored specifically for infants and children, ensuring that they receive the best possible care during what can often be stressful times for families. As a multilingual professional, he fluently speaks English, Hindi, Bengali, and Tamil, allowing him to effectively communicate with a diverse patient population. Dr. Agarwal's dedication to his profession is reflected not only in his surgical skills but also in his role as Secretary cum Treasurer of the Pediatric Endosurgeons Group of India, where he contributes to the advancement of pediatric surgical practices in the country. His practice is located at APOLLO in Chennai, where he continues to provide high-quality care to his young patients and actively participates in ongoing professional development within his specialty. Dr. Agarwal's compassionate approach and extensive expertise make him a trusted choice for families seeking surgical care for their children.
