Overview

Dr. Prashant Baid is a highly experienced Spine Surgeon based in Kolkata, West Bengal, with an impressive 30 years of dedicated service in the field of orthopedics and spine surgery. He holds an MBBS and an MS in Orthopedics, complemented by advanced fellowships in Complex Spine Surgery and minimally invasive spine techniques from prestigious institutions in the UK, Singapore, and South Korea. Dr. Baid is renowned for his expertise in treating a variety of spinal disorders, utilizing cutting-edge techniques to ensure optimal patient outcomes coupled with minimal recovery time.

As a male physician fluent in English, Bengali, and Hindi, Dr. Baid is committed to providing comprehensive care to a diverse patient population. He emphasizes a patient-centric approach, carefully listening to his patients' concerns, explaining treatment options, and ensuring their comfort throughout the surgical process. His dedication to advancing spine care has made him a trusted partner for patients seeking specialized treatment.

Recognized as an exclusive partner in his field, Dr. Baid remains at the forefront of spine surgery innovations and actively participates in continuing education to enhance his skills. His compassionate care and expert knowledge empower him to deliver individualized treatment plans tailored to each patient's

unique needs. Whether you are seeking care for chronic back pain, spinal injuries, or complex conditions, Dr. Prashant Baid is committed to guiding you on the path to recovery.

Experience

- working in apollo hospital since last assignment.
- from July 2013 -2013 associate consultant dept. of orthopedics, Singapore General Hospitals, from 2012- May 2012
- associate consultant in the dept of orthopedics, Medica Superspeciality Hospitals, Kolkata, from August 2010- 2012,
- Medica Superspeciality Hospital
- Dr. Prashant Baid is a Spine Surgeon with an orthopaedic background. He has passed his MS Ortho in April 2008 and was awarded Gold medal for the same. In his over 10 years of post- Orthopaedic residency, he has gained extensive clinical and research experience in field of spinal surgery covering all aspects, as a result of his training and affiliation with several renowned centres of Spinal surgery in India, Singapore, South America, UK and Korea

Currently he is a Consultant minimally invasive Spine and Deformity surgeon at Apollo Gleneagles hospital, Kolkata India. Prior to this he was a senior spine fellow at the Centre for Spinal Surgery and Studies, Queens Medical Center (QMC), Nottingham, UK, which is one of the largest and well renowned Teaching Hospital Center for spinal surgery in UK and Europe. He was an essential part of the Surgical team at the Nottingham University for delivering the Spinal services to the entire East Midlands and for patients who are referred from all across the UK.

Prior to this he was trained extensively in minimally invasive spine surgery for 2 years at Singapore General Hospital, Singapore and Korea. He is among one of the few trained in minimally invasive spine surgery in the country and probably the only one in the entire eastern region.

Dr Baid has a number of international and national publications, on various aspects of spine care, in reputed peer reviewed journals. He strives for evidence based approach in management of spinal disorders. His main interest is minimally invasive spinal fusion (MIS TLIF) / decompression (MED), Endoscopic discectomy and decompression, vertebral augmentation, MIS tumour / trauma / infection, complex cervical spine fusion / disc replacement / C1-C2 fusion. complex deformity cases (paediatric & Adult deformity) (scoliosis and kyphosis correction).

Besides these, Dr Baid has keen interest in Injection therapy for back/leg pain
