Overview

Dr Raghuram K is a distinguished Surgical Oncologist based in New Delhi, Delhi, with over 17 years of extensive experience in the field of oncology. He is well-known for his dedication to patient care and his expertise in the surgical management of various cancers. Dr. Raghuram completed his Master of Surgery (MS) and M.Ch in Surgical Oncology from the prestigious All India Institute of Medical Sciences (AIIMS), Delhi, equipping him with a strong foundation in both surgical techniques and oncology research. As a multilingual physician, he is proficient in English, Hindi, and Tamil, enabling him to connect with a diverse patient population. Dr. Raghuram has been the recipient of numerous accolades for his contributions to the field, including the 'Best Paper Award' at the NATCON IASO 2021 and the Indian Cancer Congress 2023, as well as various international travel awards from organizations such as ICMR and SERB. He also holds the AIIMS Travel Endowment Award from 2020 and received the 'Best Poster Award' at ISO-IMPSON 2019. His dedication to advancing cancer treatment and his active involvement in research illustrate his commitment to improving patient outcomes. As a member of the Apollo healthcare network, Dr. Raghuram K continues to provide compassionate care to his patients, ensuring they receive the most up-to-date and effective treatment options available in surgical oncology.
