Overview

Dr. S Ramakrishnan is a distinguished Rheumatologist based in Chennai, Tamil Nadu, with an impressive 40 years of experience in the field. Renowned for his extensive knowledge and expertise in rheumatology, Dr. Ramakrishnan has made significant contributions to the medical community, particularly through his award-winning research on Psoriatic Arthropathy, which was presented at the International Conference of Rheumatology in Goa in November 1987. His credentials include a MBBS, MD, and DM in Rheumatology, solidifying his position as one of the first qualified senior rheumatologists in India.

Fluent in multiple languages, including Hindi, Tamil, Telugu, and English, Dr. Ramakrishnan has a remarkable ability to communicate with a diverse patient population, ensuring that all patients feel comfortable and understood during their visits. His area of focus also includes management of complex conditions such as Antiphospholipid Antibody Syndrome and its implications on pregnancy loss, showcasing his specialized knowledge in the intersection of rheumatology and obstetrics.

Dr. Ramakrishnan has been recognized with several accolades during his academic journey, including a Gold Medal in Physics, Biochemistry, Pharmacology, and Pathology from Madras University, where he secured the First Rank in his Final Year. He is deeply committed to his patients and the advancements in medical science, continually seeking new information to improve treatment outcomes. As a leading

rheumatology clinic practitioner, Dr. S Ramakrishnan is dedicated to providing exceptional care and enhancing the quality of life for his patients.
