Overview

Dr. Ranjeet Bajpai is an esteemed Radiation Specialist Oncologist with over 18 years of experience in the field of oncology. Based in Mumbai, Maharashtra, Dr. Bajpai offers a wealth of knowledge and expertise in Radiation Oncology, specializing in the use of targeted radiation therapies to treat various types of cancer. He is highly qualified, holding both an MD and DNB, credentials that reflect his dedication to the medical profession and commitment to providing high-quality patient care.

Fluent in English, Hindi, and Marathi, Dr. Bajpai is able to communicate effectively with a diverse range of patients, ensuring they feel informed and supported throughout their treatment journey. His provider's dedication to patient education and individualized care is evident through his practice, as he believes in empowering his patients with knowledge about their treatment options and what to expect during their therapy.

Dr. Bajpai is associated with Apollo Hospitals, a premier healthcare institution known for its cutting-edge technology and innovative approaches in medical care. His commitment to staying at the forefront of advancements in oncology allows him to offer his patients the latest and most effective treatment plans. In addition to his practice, Dr. Bajpai has been recognized with numerous awards in his field, underscoring his contributions to oncology and patient care. His focus on developing personalized treatment plans

tailored to the unique needs of each patient has earned him a reputation as a compassionate and skilled oncologist.

For patients in Mumbai seeking expert care in Radiation Oncology, Dr. Ranjeet Bajpai is a trusted and respected choice, combining vast experience, compassion, and an unwavering commitment to improving the lives of those battling cancer.

Experience

18 years experience in managing cancer patients at centers of excellence, managing manpower involved in the healthcare delivery, carrying out research and educational activities and coordinating clinical activities in a multi-specialty hospital set-up.

Work experience with various Radiotherapy Machines

- Cobalt 60 machine – Theratron 780 C.
- Linear Accelerators – Ethos, TrueBeam, TrueBeam STx and Clinac 2100/2300CD (Varian).
- Eclipse planning system (Varian).
- Brachytherapy (Nucletron) and VariSource (Varian).
- Stereotactic Radiotherapy and Stereotactic Radiosurgery: Gamma Knife, TrueBeam STx, Eclipse and Brain lab I-Plan planning system.

Experience with Radiation Procedures

- Adaptive Radiotherapy – offline & online.
- 3DCRT, IMRT, VMAT & rapid arc planning, contouring, plan reviews and treatment.
- Electron therapy.
- Brachytherapy-Intra-cavitory and Interstitial brachytherapy in Gynecological cancers, Intraluminal brachytherapy (Esophageal cancers).
- Stereotactic radiation therapy and Radio surgery.
- Deep inspiration breath hold (DIBH) and prone breast radiotherapy technique for breast cancers.

Membership

Nov 2022 - Present Senior Consultant, Radiation Oncology
Sir HN Reliance Foundation Hospital, Mumbai, India.

Mar 2022 - Oct 2022 Fellow, Sjaelland University Hospital

Copenhagen, Denmark.

Feb 2011 - Dec 2021 Consultant, Radiation Oncology, PD Hinduja Hospital and Medical Research Centre, Mumbai, India.

Oct 2009 - Feb 2011 Associate Consultant, Radiation Oncology, PD Hinduja Hospital and Medical Research Centre, Mumbai, India.

July 2006 - June 2009 Senior Resident, Radiation Oncology, Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow.

Medical License/Certification

- Medical Council of India (MCI)
- Maharashtra Medical Council (MMC)

Professional Association

- Association of Radiation Oncologists of India (AROI) since 2004.
- European Society for Radiotherapy & Oncology (ESTRO) since 2008.
- American Society for Radiation Oncology (ASTRO) since 2008.

Awards

- ASTRO International – US Annual Meeting Travel Grant (2008)
? Sole recipient selected for the ASTRO Annual Meeting held in Boston, September 2008.
- Best Paper Award (2008) – UPAROI, Lucknow, India
? Paper: “The Quality of Recording of Patient Demography; Compliance to Radiotherapy, Morbidity Reporting and Status of Follow-up of Head and Neck Cancer Patients.”
- Travel Fellowship (2005) – AROI, Ahmedabad, India
? Paper: “Role of Percutaneous Endoscopic Gastrostomy for enteral nutrition in patients with head and neck cancers on intensive chemo-radiation protocols - A feasibility study.”
- Best Paper Award (2005) – AROI, Ahmedabad, India
? Paper: “Role of VFG in assessing functional abnormalities in patients of head and neck cancer treated

with chemo-radiotherapy."
