Overview

Dr. Saad Mohammad is a distinguished Orthopaedics and Joint Replacement Surgery Specialist at Apolomedics Super Specialty Hospitals in Lucknow, bringing four years of dedicated experience to his practice. He holds an MS and DNB in Orthopaedics, along with an MRCS, and has completed a Fellowship in Joint Replacement, equipping him with advanced expertise in complex joint procedures and innovative treatment methodologies. Dr. Mohammad is proficient in a range of surgical techniques, including total knee and hip replacements, arthroscopic surgeries, and minimally invasive procedures. His commitment to patient-centered care is evident in his approach, where he prioritizes individualized treatment plans and fosters open communication with his patients. He is fluent in English, Hindi, and Urdu, allowing him to connect effectively with a diverse patient population. In addition to his clinical practice, Dr. Mohammad is actively involved in research and academic discussions, contributing to advancements in orthopaedic care. He regularly participates in medical conferences, sharing insights and staying abreast of the latest developments in his field. His dedication to medical excellence and innovative treatments ensures that his patients receive the highest quality of care, tailored to their unique needs.
