## Overview

Dr. Sanjai Kumar Addla is a highly esteemed Uro Oncologist based in Hyderabad, Telangana, bringing over 22 years of experience in the field. As a male physician, he is known for his exceptional expertise in the surgical and medical treatment of urological problems, particularly in the management of cancers affecting the prostate, kidney, bladder, testis, and penis. His qualifications include MBBS, MRCS, MD, CCT (Uro), FRCS (Uro), and he is a Fellow in Uro-Oncology, underscoring his extensive training and dedicated focus within this specialty.

Dr. Addla has earned recognition as a mentor by Intuitive Surgical, the company behind the da Vinci robotic surgical system, due to his extensive experience in robotic surgery. He has successfully performed over 500 robotic prostatectomies and more than 150 robotic partial nephrectomies, in addition to numerous other open and laparoscopic cancer surgeries. His contributions to the field are reflected in his 20+ peer-reviewed publications and numerous presentations at national and international conferences. Fluent in English, Hindi, and Telugu, Dr. Addla communicates effectively with a diverse patient population, ensuring they are well-informed and comfortable throughout their treatment journey. His dedication to patient care, combined with his surgical skill and academic contributions, makes him a pivotal figure in urology and oncology, providing hope and healing for patients battling cancer.
