Overview

Dr. Sanjay Govil is a highly esteemed Liver Transplant Specialist based in Bangalore, Karnataka, with an impressive 32 years of experience in the field. He is well-regarded for his expertise in liver surgeries and transplantation, and has earned significant recognition throughout his career. Dr. Govil holds an MBBS, an MS, and is a Fellow of the Royal College of Surgeons (FRCS). His specialized training includes extensive fellowships in Pancreatic Surgery, Liver Surgery, and Liver Transplantation, showcasing a strong foundation in complex surgical procedures related to the liver.

As the President of the Indian Chapter of the International HPB (Hepato-Pancreato-Biliary) Association and a Council Member of the Asia Pacific HPB Association, Dr. Govil plays a vital role in shaping the standards and practices within this specialized field. He is committed to advancing the treatment options available for patients with liver conditions, particularly those requiring transplantation.

Fluent in English, Hindi, and Tamil, he is dedicated to ensuring clear communication with his diverse patient population. Dr. Govil is affiliated with the APOLLO hospital network, providing state-of-the-art care to patients while leveraging his extensive knowledge and experience. His dedication not only reflects in his professional accolades but also in the compassionate care he extends to each patient, making him a trusted figure in liver health management.
