Overview

Dr. Sanjay Vijaykumar Vekhande is a highly experienced neurosurgeon based in Nashik, Maharashtra, with an impressive 23 years of expertise in his field. He has dedicated his career to providing advanced surgical care for patients with neurological disorders. Dr. Vekhande holds a prestigious qualification, having completed his MBBS, MS, and MCh in Neurosurgery, which equips him with the knowledge and skills necessary to perform complex neurosurgical procedures. As a skilled practitioner, he is adept in managing a range of conditions, from brain tumors to spinal disorders, ensuring that his patients receive the highest standard of care.

Fluent in multiple languages, including English, Hindi, and Marathi, Dr. Vekhande is able to communicate effectively with a diverse patient population, fostering strong doctor-patient relationships built on trust and understanding. His commitment to patient welfare is evident in his compassionate approach, where he actively involves patients in their treatment plans and addresses their concerns with due diligence.

Affiliated with Apollo Hospitals, Dr. Vekhande is a valuable member of the neurosurgery team, contributing to the hospital's mission of providing world-class healthcare. With his extensive experience and dedication to the field, he has garnered respect from both colleagues and patients alike. Dr. Vekhande remains committed to staying at the forefront of medical advancements in neurosurgery, ensuring that he provides

the most effective and innovative treatments available.
