Overview

Dr. Sengottuvelu G is a highly experienced cardiologist based in Chennai, Tamil Nadu, with over 25 years of dedicated service in the field of cardiology. He holds an impressive array of qualifications, including MD, DM, DNB, FRCP, FSCAI, FMMC, and FACP, and is also a Fellow in Interventional Cardiology.

Renowned for his expertise in complex bifurcation angioplasties, Dr. Sengottuvelu received the prestigious Award for Excellence for Outstanding Accomplishments & Contributions from CCT in Kobe-shi, Hyogo, Japan, in 2013, particularly for his pioneering work with absorbable scaffolds.

Fluent in English, Hindi, and Tamil, he effectively communicates with a diverse patient population, ensuring clarity and comfort throughout the care journey. As a senior specialist at Apollo Hospitals, Dr. Sengottuvelu combines advanced clinical training with a compassionate, patient-centric approach.

His commitment to advancing cardiac treatments and technologies has solidified his reputation as a leader in the cardiology community. Beyond treating cardiovascular diseases, he is passionate about educating his patients on heart health, preventive strategies, and lifestyle modifications.

Dr. Sengottuvelu G's expertise and dedication make him a trusted provider of cardiac care and a valuable contributor to the ongoing evolution of interventional cardiology.
