Overview

Dr. Shankar Prasad is a dedicated Paediatrics and Neonatology Specialist at Apollo Bgs Hospitals Mysore, bringing six years of comprehensive experience in the field. He holds an MBBS degree, which underpins his advanced expertise in managing complex neonatal conditions and providing exceptional care to infants and children.

Dr. Prasad is proficient in a range of procedures, including neonatal resuscitation, management of preterm infants, and pediatric critical care, ensuring that his young patients receive the highest standard of medical attention. In addition to his clinical practice, Dr. Prasad is actively involved in research and academic discussions, contributing to advancements in pediatric healthcare. He regularly participates in medical conferences, where he shares insights on innovative treatments and emerging trends in neonatology. His commitment to continuous learning and professional development reflects his dedication to medical excellence.

Dr. Prasad is passionate about patient-centered care, prioritizing the needs and concerns of families in every aspect of treatment. He believes in fostering a supportive environment that encourages open communication, ensuring that patients and their families feel informed and empowered. Fluent in English, Dr. Prasad effectively connects with a diverse patient population, making him a trusted partner in their

healthcare journey.
