Overview

Dr. Shilpa Reddy K is a highly qualified Radiation Specialist Oncologist based in Hyderabad, Telangana. With 10 years of extensive experience in the field of radiation oncology, Dr. Shilpa is dedicated to providing the highest standard of care for patients facing cancer treatment. She holds a prestigious MBBS and DNB qualification in Radiation Oncology, which equips her with a profound understanding of advanced radiotherapeutic techniques and patient management strategies.

Dr. Shilpa has further honed her skills through a specialized gynecologic Brachytherapy fellowship at the Institute Gustave Roussy in France, recognized as one of the leading cancer centers in Europe. This experience enhances her ability to deliver targeted and effective treatment regimes that cater to individual patient needs, ensuring optimal outcomes.

Fluent in English, Hindi, and Telugu, Dr. Shilpa is adept at communicating complex medical information in a compassionate and comprehensible manner, making her a trusted choice for patients and their families. As part of the Apollo Group, she is committed to utilizing state-of-the-art technology and methodologies to ensure that her patients receive comprehensive care.

Dr. Shilpa Reddy K is not just a physician, but a dedicated advocate for her patientsâ€™™ well-being, striving to empower them through their treatment journey with empathy and professionalism.
