Overview

Dr. Sumanth Mantri is a highly experienced Pulmonology Respiratory Medicine Specialist based in Bangalore, Karnataka. With over 19 years of dedicated experience in the field, Dr. Mantri has established himself as a trusted healthcare provider, specializing in diagnosing and treating various pulmonary conditions. He is committed to providing comprehensive respiratory care, utilizing the latest advancements in medical technology and treatment protocols to ensure optimal patient outcomes.

Dr. Mantri holds an MBBS degree, along with a DNB and FCCP, which underscores his extensive training and expertise in pulmonology. His educational background equips him with the knowledge necessary to address a wide range of respiratory issues, including asthma, chronic obstructive pulmonary disease (COPD), and interstitial lung diseases. He emphasizes a patient-centric approach, prioritizing clear communication and collaboration with his patients to develop personalized treatment plans.

Fluent in English, Dr. Mantri ensures that his patients fully understand their conditions and the treatments available to them. He is affiliated with Apollo, a renowned healthcare institution, which reflects his commitment to high-quality medical care. Dr. Mantri's dedication to his patients is evident in his holistic approach to treatment, considering not only the physical aspects of respiratory health but also the emotional and psychological effects of chronic respiratory conditions.

Whether you are seeking routine care or specialized treatment for a complex pulmonary issue, Dr. Sumant Mantri stands ready to assist you with his expertise, compassion, and unwavering commitment to your health.
