6. What is Dr. Sunil Narayan Dutt's experience?

Dr. Sunil Narayan Dutt possesses 30 years of experience in ENT.

7. Who is an Ear, Nose, and Throat (ENT) Specialist?

An otorhinolaryngologist, also known as an ENT doctor, specializes in diagnosing and treating ear, nose, and throat disorders. This branch of medicine addresses conditions of the head and neck, encompassing the ears, nose, throat, and related structures.

8. Is an Ear-Nose-Throat (ENT) Specialist and an Otorhinolaryngologist different?

An otorhinolaryngologist and an ENT specialist are the same. Otorhinolaryngology is the medical specialty focused on the ear, nose, and throat. ENT specialists, therefore, treat all ear, nose, and throat conditions, using both medication and surgical procedures as needed. This includes diagnosing and treating a wide range of conditions affecting these organs.

9. Do I need a referral to see an ENT specialist?

Appointments with ENT specialists are typically made in advance. Walk-in consultations may also be available, though waiting times may apply. Referrals from other doctors or general practitioners are sometimes provided.
