Overview

Dr. Aarthi Narasimhan is a highly skilled pulmonologist with a decade of dedicated experience in the field of respiratory medicine. Based at the Apollo Cancer Centre in Teynampet, Chennai, she has established herself as a trusted expert in diagnosing and treating a wide range of pulmonary conditions. Dr. Narasimhan holds a Diploma in Tuberculosis and Chest Diseases (DTCD) and a Diplomate of National Board (DNB) in Respiratory Medicine, which underscores her commitment to excellence in patient care and her comprehensive understanding of respiratory health. Throughout her career, Dr. Narasimhan has focused on various aspects of pulmonary medicine, including chronic obstructive pulmonary disease (COPD), asthma, interstitial lung diseases, and lung cancer. Her clinical expertise is complemented by her compassionate approach to patient care, where she prioritizes open communication and patient education. Dr. Narasimhan believes in empowering her patients by providing them with the knowledge and resources they need to manage their conditions effectively. She takes the time to listen to her patients' concerns, ensuring that they feel heard and supported throughout their treatment journey. At Apollo Cancer Centre, Dr. Narasimhan collaborates with a multidisciplinary team to deliver comprehensive care tailored to each patient's unique needs. Her association with this esteemed institution allows her to leverage advanced medical technologies and innovative treatment protocols, ensuring that her patients receive the highest

standard of care. With a warm demeanor and a steadfast commitment to improving her patients' quality of life, Dr. Aarthi Narasimhan is dedicated to making a positive impact in the field of pulmonology and respiratory medicine.
