Overview

Dr. Kisley Shrivastava is a distinguished Cardiology Specialist at Apollo Sage Hospitals in Bhopal, bringing over 15 years of extensive experience in the field. With an MD and DNB, Dr. Shrivastava possesses advanced expertise in managing complex cardiovascular conditions, including interventional cardiology, heart failure management, and preventive cardiology. His commitment to innovative treatments and patient-centered care has made him a trusted figure among his patients.

In addition to his clinical practice, Dr. Shrivastava is actively involved in research and academic discussions, contributing to advancements in cardiology. He regularly participates in national and international medical conferences, where he shares his insights and findings, fostering a collaborative environment for knowledge exchange among peers. His dedication to continuous learning ensures that he remains at the forefront of emerging trends and technologies in cardiovascular care.

Fluent in both English and Hindi, Dr. Shrivastava effectively communicates with a diverse patient population, ensuring that each individual feels understood and valued. His unwavering commitment to medical excellence and compassionate care makes him a leading cardiologist, dedicated to improving the heart health of his community.
