## Overview

Dr. Minakshi Bansal Vora is a distinguished Paediatric Oncology Specialist at Apollo Hospitals Noida, bringing over 10 years of dedicated experience in the field. She holds an MBBS and an MD in Pediatrics, complemented by a Fellowship in Pediatric Hematology & Oncology, which underscores her advanced expertise in diagnosing and treating childhood cancers. Dr. Vora is proficient in a range of specialized procedures, including chemotherapy administration, bone marrow biopsies, and the management of complex hematological disorders.

A passionate advocate for patient-centered care, Dr. Vora is committed to providing innovative treatments tailored to the unique needs of her young patients. She actively engages in research and academic discussions, contributing to advancements in pediatric oncology. Her participation in national and international medical conferences reflects her dedication to staying at the forefront of medical excellence and sharing knowledge with peers.

Fluent in both English and Hindi, Dr. Vora effectively communicates with a diverse patient population, ensuring that families feel informed and supported throughout their treatment journey. Her compassionate approach and unwavering commitment to high-quality healthcare make her a trusted partner in the fight against childhood cancer.
