## Overview

Dr. Ashwini Dash is a highly accomplished Plastic and Reconstructive Surgeon at Apollo Hospitals, Indore, bringing with him an impressive 28+ years of clinical and surgical experience. He holds an MBBS, MS in General Surgery, and MCh in Plastic & Reconstructive Surgery, showcasing his advanced training, deep expertise, and long-standing commitment to medical excellence. Dr. Dash specializes in a wide spectrum of plastic, reconstructive, and aesthetic procedures, including trauma reconstruction, cosmetic surgeries, burns management, microsurgery, and correction of congenital deformities.

Fluent in English and Hindi, Dr. Dash ensures clear and compassionate communication with patients from diverse backgrounds. He is known for his meticulous attention to detail, patient-centered approach, and strong emphasis on individualized care. By thoroughly understanding each patient's concerns, expectations, and medical history, he provides tailored treatment plans that prioritize safety, functionality, and aesthetic outcomes. His empathetic nature and ability to make patients feel comfortable have earned him deep trust within the community.

At Apollo Hospitals, Dr. Dash utilizes advanced surgical technologies, modern techniques, and evidence-based practices to achieve optimal restorative and cosmetic results. He actively collaborates with multidisciplinary teams to deliver comprehensive care, especially for complex reconstructive cases.

Dedicated to continuous learning and professional growth, he stays updated with global advancements in reconstructive and aesthetic surgery. Dr. Ashwini Dash is widely recognized for his surgical expertise, compassionate care, and unwavering commitment to improving patients' quality of life, making him a highly respected and trusted name in Plastic and Reconstructive Surgery.
