Overview

Dr. Sayali Damle is a dedicated Geriatric Medicine Specialist at Apollo Hospitals Navi Mumbai, with over 11 years of experience in managing the unique healthcare needs of elderly patients. She holds an MBBS and an MD in Geriatric Medicine, equipping her with specialized knowledge in age-related conditions and comprehensive geriatric care.

Dr. Damle focuses on promoting healthy aging, preventing and managing chronic diseases, and improving the quality of life for senior citizens. She offers personalized care plans tailored to the complex medical and social needs of older adults, addressing issues such as memory disorders, mobility challenges, and multiple comorbidities with compassion and precision.

Fluent in English and Marathi, Dr. Damle ensures clear communication and empathetic support for patients and their families. She is committed to holistic, patient-centered care, working closely with multidisciplinary teams to enhance patient outcomes and independence.

Beyond her clinical practice, Dr. Damle stays actively engaged in ongoing medical education and participates in initiatives aimed at advancing geriatric healthcare. Her expertise and compassionate approach make her a trusted and respected name in geriatric medicine in Mumbai.
