## Overview

**Dr. Ajay Kumar Sharma** is a highly accomplished **Transplant Surgeon** at **Apollo Hospitals, Delhi**, bringing over 15 years of extensive experience in the field of **General Surgery and Organ Transplantation**. With a robust academic background that includes a BSc (Honours), MBBS, MS, DNB, and dual FRCS qualifications from Glasgow and in General Surgery, along with an MSc in Medical Sciences, Dr. Sharma exemplifies surgical precision and academic excellence.

Specializing in **renal and hepatobiliary transplants**, Dr. Sharma is known for his proficiency in both **living and cadaveric donor surgeries**, complex multi-organ procedures, and advanced minimally invasive transplant techniques. His multidisciplinary approach and commitment to surgical innovation have helped improve outcomes and enhance recovery for hundreds of transplant recipients.

Dr. Sharma is fluent in **English and Hindi**, enabling him to communicate effectively with a wide patient base. His patient-first philosophy is evident in his transparent, empathetic consultations and individualized treatment plans, making him a trusted expert for patients and families navigating the complexities of transplant surgery.

Beyond his clinical work, Dr. Sharma is actively engaged in research and education. He has contributed to peer-reviewed publications, mentors young surgeons, and participates in national and international

transplant forums. His dedication to continuous learning and surgical advancement ensures that his patients receive the highest standard of care in line with global best practices.

Based at **Apollo Hospitals, Sarita Vihar, Delhi**, Dr. Ajay Kumar Sharma continues to drive excellence in transplant surgery, combining compassion, skill, and evidence-based care to deliver life-changing results.
