Overview

Dr. Muraleedharan A. is a highly esteemed ENT specialist with an impressive 43 years of experience in the field of otolaryngology. Based in Chennai, he has dedicated his career to providing exceptional care to patients with a wide range of ear, nose, and throat disorders. His extensive educational background includes a Master of Surgery (M.S.), a Diploma in Otorhinolaryngology (D.LO), and he is a Fellow of the Academy of Medical Sciences (FABMS). This robust foundation in both theoretical knowledge and practical skills enables Dr. Muraleedharan to deliver comprehensive and effective treatment options tailored to each patient's unique needs. At Apollo Cancer Centre Teynampet, Dr. Muraleedharan is committed to fostering a compassionate and supportive environment for his patients. He believes in a holistic approach to healthcare, emphasizing the importance of understanding each patient's individual circumstances and concerns. His clinical focus encompasses a variety of ENT conditions, including complex cases that require advanced surgical interventions. Dr. Muraleedharan is known for his meticulous attention to detail and his dedication to staying abreast of the latest advancements in ENT treatments, ensuring that his patients receive the highest standard of care. Dr. Muraleedharan's association with Apollo Cancer Centre Teynampet reflects his commitment to excellence in patient care. The hospital's state-of-the-art facilities and collaborative approach to treatment align perfectly with his

philosophy of providing comprehensive care. He works closely with a multidisciplinary team to ensure that patients benefit from a coordinated approach to their health, particularly in cases where ENT issues intersect with other medical specialties. With a warm demeanor and a steadfast dedication to his patients, Dr. Muraleedharan A. continues to make a significant impact in the lives of those he treats, helping them navigate their health challenges with confidence and compassion.
